

EXHIBIT A

To Whom It May Concern:

Thank you for considering the undersigned for your Ship/Yacht Transactional, Consulting, Refit, Management or surveying needs. I am confident that my vast experience and over 41 years in the Marine Construction, Repair, and Consulting industry will be of benefit to you.

My consulting and survey work covers all phases and types of project management, new construction, repairs and refits. Yacht and commercial vessel pre-purchase surveys, valuation surveys, insurance surveys, and insurance claims. Since 1982 I have personally performed thousands of surveys on all types of vessels in locations worldwide.

I am experienced in legal matters and have acted as an expert witness on several cases with wide ranging topics.

My experience allows me to expertly survey any size and type of yacht or commercial vessel anywhere in the world.

With 41 years in the marine construction, repair, and consulting industry my experience covers all phases and types of new construction, repairs and refits, commercial and private yachts pre-purchase surveys, valuation surveys, insurance surveys, and insurance claims, new construction, contract and drawing reviews, on site attendance. I have personally performed thousands of surveys and over seen multiple extensive repair and modification refits on all types of commercial vessels in locations worldwide. I am qualified to advise on all classifications (Lloyd's, ABS, DNV, RINA etc.) as well as SOLAS, MARPOL & ISM regulations. I have acted as paint consultant to multiple commercial shipping companies helping to assess the condition of ballast and miscellaneous tanks and developed procedures for implementation of inspections to meet the new classification requirements for tank evaluation for all vessels.

I am qualified to advise on all classification concerns for all societies (Lloyd's, ABS, DNV, all classifications) and MCA issues as well as SOLAS, MARPOL & ISM regulations for all vessel types. I have conducted surveys for over 37 different flag states.

PREVIOUS EXPERIENCE

Rossitto Marine Consultants
1601 SE 15th St. – Ft. Lauderdale, FL 33316
Ph: (954) 663-8237
[Email: trossitto@me.com](mailto:trossitto@me.com)

June 2019 to Present

Continued to act as a consultant in the yachting and commercial industry, expanding my Brokerage sector by closing several large vessel sales.

Expanded my expert witness book of work.

April 2016 to May 2019

I was the Builder/Project Manager overseeing the largest reconstruction/refit of a mega yacht ever undertaken in the United States and possibly worldwide. The project consisted of gutting an existing 60m offshore supply vessel and converting her to an 89m mega yacht. When delivered she cruised comfortably at 13.5knts, with 15,000 miles under her keel there has not been a single problem and she is now being utilized on the East Africa Coast.

Acted as technical consultant for various commercial and yacht projects worldwide developing repair specifications and reviewing cost.

Acted as expert witness for the plaintiff's in cases involving collisions, machinery failure, coating conditions, constructions conformities.

January 1999 to April 2016

- Independent Consultant to the Commercial Shipping and Yachting industry.
- Consultant/Surveyor to the Cayman Islands
- Consultant/Surveyor to the Cook Island
- ABS Certified Maritime Root Cause Analysis Incident Investigator
- Acted as technical consultant for various commercial and yacht projects worldwide developing repair specifications and reviewing cost.
- Acted as expert witness for the plaintiff's in cases involving collisions, machinery failure, coating conditions, constructions conformities.
- Oversaw multiple large projects simultaneously in Holland, Turkey and South Africa.
- Project Manager for the takeover, completion, launch and delivery of multiple vessels in shipyards around the world, including Holland, Brazil, Greece, Jacksonville Fla., Vancouver WA., Sturgeon Bay Wi., and Savanna Ga., that were insolvent or bankrupt. Including the development and implementation of unique launch procedures utilizing, cranes, inflatable sausages, logs, heavy construction moving dolly's and large trolleys.
- Technical Superintendent for 113m commercial motor yacht

- Oversaw the development of Bradford Marine, Freeport, Grand Bahamas Island. As General Manager, I was responsible for the daily operation of BGB. I implemented training and procedures necessary for the construction of a 1200ton floating dry dock. Set up bidding and billing programs for repair and modification contracts to better protect the yard and clients. Trained all personal, established mechanical, welding, hydraulics, electrical, piping and painting departments. I turned BGB into a profitable shipyard
- Acted as Development Manager for Maritime Preservation in Port of Spain Trinidad. I worked with the yard laborers to repair the existing marine railway which sustained severe damage underwater and had been out of commission for over five years. Taught the labor force how to successfully haul commercial vessels and established a successful repair policies and procedures that allowed them to be profitable to this day.

June 1982 – December 1998 American Bureau of Shipping

- As a Surveyor / Senior Surveyor / Surveyor in Charge I worked in multiple locations including Alabama, Japan, Washington, Alaska, Pennsylvania, Florida (encompassing all of the Caribbean to Trinidad), Korea, China, And Hong Kong. As a classification Surveyor, I am qualified to carry out every survey type on every vessel type including drill rigs, tankers, bulkers, container, passenger, submarines, and ro-ro's. Construction materials including steel, aluminum, fiberglass, carbon fiber, concrete, and wood, welded, riveted, infused, and fastened.
- Youngest and quickest to be appointed Senior Surveyor in ABS
- While stationed in Ft. Lauderdale Florida was the Senior Surveyor in charge responsible for all classification business throughout the Caribbean south to Trinidad
- Managed the Passenger Vessel Service Center and Yacht Technical offices located in Fort Lauderdale.
